

## WOODLEA RESIDENTS – HOW TO ENROL AT BACCHUS MARSH GRAMMAR

### Excitement is mounting as Bacchus Marsh Grammar prepares for the opening of our Woodlea Campus in Aintree in 2019.

The new campus will eventually offer Early Learning, Junior and Middle School.

Woodlea will give students access to a school closer to home and with all the exceptional benefits of a Bacchus Marsh Grammar education. It will ensure that our primary schools are a size that offers choice but also the intimacy of a medium-sized school.

The facilities at Woodlea are designed to facilitate learning and mirror the range of those available at the Maddingley Campus – Bacchus Marsh.

After completing their studies at Woodlea, students will attend Senior School at our Maddingley Campus. The operation and management of both campuses will be identical to ensure an easy transition.

**For residents interested in enrolling their child/ren into the School the process is as simple as visiting the School's website [www.bmg.vic.edu.au](http://www.bmg.vic.edu.au) and proceeding to 'Enrol Now'.**

The School will make contact with you when interview opportunities are available. For the Prep enrolment process, contact from the school is in May each year, prior to the year of entry. Example: Entry into 2020, families will hear from Bacchus Marsh Grammar in May 2019.

Bacchus Marsh Grammar accepts registrations of interest from across Western Melbourne and the greater district.

The School welcomes Woodlea residents to submit their registration of interest. It must be stated that residents are not automatically allocated a place at Bacchus Marsh Grammar.

The School follows a formal and equitable enrolment process open to all.
