SENIOR SCHOOL COLOURS

School Colours and Leadership are held in high regard at Bacchus Marsh Grammar. School Colours are a recognition of involvement in school related activities and being a representative of Bacchus Marsh Grammar. There are many varied events and activities that students can opt to participate in, or be selected as a representative for. From the beginning of this semester, Senior School students are able to download a record sheet [Excel Spreadsheet] from the

E-Mail: school@bmg.vic.edu.au

Student Portal, to keep a record of the events and activities that they are and have been involved in, allocate points and keep a personal record of their progress toward school colours.

Once they have achieved **90, 180 or 270 points**, they are to email their spreadsheet to seniorschoolcolours@bmg.vic.edu.au as an application, to be presented with their Senior School Colours.

Senior School Colours and being a representative of Bacchus Marsh Grammar is a key criterion for application and selection to Leadership positions at all year levels throughout the Secondary and Junior School. An integral component of being selected to be a School Prefect in Year 12, is to have been awarded School Colours, demonstrating a commitment to Bacchus Marsh Grammar.

Congratulations to the following students who were awarded their Colours at Assembly on Monday morning:

Junior School Reading Information

Last Thursday 8 February **Prep Reading Information Evening** was held in the School's gymnasium. The focus for the night was on informing parents about how to help their child when reading with and to them and to introduce the new Rigorous Reading Journal. There was a pleasing turn out of Prep parents

on the night. A big thank you to Alison Cummins and the entire Prep team for their informative presentation.

An additional two Parent Practical Reading Workshops for Years 1 and 2 were held this week. Thank you to Alison and the parents who were able to attend these sessions.

SCHOLASTIC BOOK CLUB NEWS

Scholastic Book Club

To continue to promote rigorous reading it is important that we, as parents, provide our children with the opportunity to experience a range of books. We are very fortunate to have companies who specialise in selling engaging, entertaining and informative books for our children, and at reasonable prices.

The Scholastic Book Club has released its first catalogue for the year, which may be accessed online. You are able to look through the catalogue, order and pay for the books online and they will be delivered directly to your house. Due to the number of students, we are no longer able to have the orders delivered to the school, having the books delivered directly to your home allows your child to engage with the books quicker.

When ordering you need to add Diane Dunn (our Book Club Co-ordinator) as the nominated teacher / person.

To access Scholastic Book Club go to:

<http://www.scholastic.com.au/schools/bookclub/>

Year 7 Camp

All Year 7 students have embarked on their Orientation Camp located at Camp Manyung in Mt Eliza. The purpose of the camp is to foster a bond between students in a fun and challenging environment. This is a key measure in the orientation program for all students new to Year 7.

MIDDLE SCHOOL MUSICAL PRODUCTION Years 5-8 NEWS

Middle School Musical – Years 5-8

Disney Peter Pan JR.

Disney Peter Pan JR. has been selected as the 2018 Musical.

All students in Years 5-8 are invited to be involved.

Rehearsals are held on Wednesday's after school from 3:05pm – 4:30pm. Students requiring the late bus must sign up for a seat at the front office. Students can access Peter Pan information on the Peter Pan Moodle page.

Please do not hesitate to contact me if you require further clarification via email - coombsj@bmg.vic.edu.au. Looking forward to an exciting year.

Middle School Musical Coordinator

Years 9 to 12 Programme**

LOCKS and LOCKERS

At the beginning of this year, each student is provided with a combination lock and a locker to store their books and other items whilst they are at school. It is the student's responsibility to ensure that they maintain a neat, tidy and locked locker. Storing belongings on top of the lockers may result in items being lost/removed.

MOBILE PHONES

Students and families are reminded of the use of mobile phones during the school day. Whilst the school realises that it is important for students to be able to make contact with parents/relatives regarding travel arrangements, mobile phones are to be turned off and placed securely in their locked locker upon arrival at school.

Should your child wish to make contact with you they must seek permission from the Year Level Coordinator or a staff member to use one of the School's telephones at the Administration Office.

If parents wish to make contact with their child, contact must also be made and coordinated through the Administration office.

Students found with or using their mobile phone during school hours will be issued with an afterschool detention.

AFTER SCHOOL CLASSES and SENIOR SCHOOL LIBRARY

Afterschool classes for a range of subjects commenced again last week on Tuesdays (English and Science) and Thursday (Mathematics). This is a great opportunity for students who are requiring extra assistance offered by teachers to attend. Ideally, this is a time to ask questions and seek help rather than just complete homework.

The **School library** is open until 4.20pm each evening for students to come and study, research material or complete homework. Any student who attends the library after school must be for study purposes only.

LATE BUS

The late bus runs Monday through to Thursday afternoons departing at 4.30pm. Students requiring the late bus must sign up at the front office prior to the end of lunch to book a seat. The late bus incurs a charge of \$15.00 per trip which is charged to your School account each term. The late bus is a limited service and does not stop at all prescribed school bus stops.

YEAR 9-10 GLOBAL ISSUES NEWS

Bacchus March Grammar Year 9-10 Global Issues students recently visited Taranaki Farm in Woodend as part of their studies on Food Security. Mr Ben Falloon, owner of Taranaki Farm, fully engaged the students with his explanation of regenerative farming techniques and his anecdotes relating to animals on the farm. Students were delighted to see, hear, touch and smell pigs, chickens and cows and were pleased to note that they are all fed on pasture and have plenty of space to move around freely.

Regenerative farming techniques ensure that the land is not degraded by farming processes; in fact, the processes help to repair the land. Asked at the end of the day if they had learnt anything, all the students enthusiastically said, "Yes!"

Positive Parenting: Encouragement

People do better when they feel better! People feel better when they are encouraged and supported! This is particularly true for our children and more often than not a misbehaving child is a discouraged child. So how do we try and shape a change in behaviour for a discouraged child? Provide encouragement to your children for the efforts they have made not just reward/punishment for the end result.

Say, "I really liked the way that you worked hard every night on that project" or, "It was great to see you try and sound out the difficult words while you were reading today". Punishment and reward may lead to temporary positive results as a child strives to avoid punishment or gain reward but the price they pay is a loss of confidence, and loss of control.

For the next week, challenge yourself to say at least one encouraging thing every day, notice the way you feel saying it and the way your children respond to you at this time. It does not take much to change your focus to finding positives and can have fantastic results for your children's self-esteem and self-worth and your state of mind! Remember, if your child feels better, they do better! As do you!

Bacchus Marsh Grammar Official Facebook Page

In Term 4 of 2017, the Principal and School Council approved an official Bacchus Marsh Grammar Facebook page.

This is an opportunity to move with the times and establish an alternative platform of communication within our School Community, share special interest articles, provide useful updates and strengthen the School's brand.

It is our intention to deliver these benefits by engaging the Community to use this method of communication in a positive and responsible manner.

Social media is an integral part of society, and how we form, create and share in our community, however, if social media is inappropriately used, serious issues can arise.

For this reason, Bacchus Marsh Grammar would like to reiterate our intentions for the introduction of an official school Facebook page and enlist the support of the community to ensure its use is entirely appropriate and delivers a safe, positive and happy experience.

It is important that our Community review the following protocols and policies relating to the Bacchus Marsh Grammar Facebook Page. These policies are available
