

Model United Nations Assembly - MUNA

On the Saturday 27 and Sunday 28 April at Swinburne University Hawthorn, four Year 11 BMG students attended a Model United Nations Assembly. There were 58 students from schools all around Victoria in attendance.

Model United Nations Assembly is a meeting which takes place between students in which they act as International Delegates from an assigned country. Students are tasked with representing the views of that country whilst debating resolutions surrounding issues at an international level. Students must do all of the above while maintaining professionalism and correct parliamentary procedure and etiquette. Teams are requested to attend in dress for their designated country.

The teams were:

Singapore - Arshnoor Singh & Ubaid Ahmed

United Kingdom - Declan Xerri & Alejandra Camacho

MUNA taught us a great amount about debating in an assembly setting, international diplomacy, and rebutting arguments in a professional manner with minimal preparation time. This experience will most definitely be one that will be remembered for many years to come. Congratulations to Declan Xerri for being awarded Best Male Speaker for the Event.

We would like to thank the Rotary Members, Lita Foot & Scott Pepin, who accompanied us to the assembly and Mrs Ogston for organising our participation in the event.

Maddingley and Woodlea Co-Curricular Program

The start of Term 2 sees the return of our very popular Co-Curricular program. The program will run in its entirety from Monday 20 May until the end of the school year. Maddingley's program is aimed at Prep to Year 4 and Woodlea's program is for Prep to Year 6.

The Co-Curricular program is designed to cater in a variety of ways for all students and enhance the learning opportunities for your child.

Both Maddingley and Woodlea's program have been uploaded to the Bacchus Marsh Grammar [website](#).

If your child would like to secure a position in either the Teacher Selected or Student Choice activities, parents/guardians are required to log on to the [myBMG - Parent Portal](#) and confirm as attending under the 'Events & Sales' tab for each child. Online bookings opened on Monday 29 April and close 9am Monday 13 May. When the response on the Portal shows as 'Attending', your child will be automatically enrolled in the selected program.

Some Student Choice activities do not appear on the Parent Portal. Students are able to attend these activities on a voluntary basis. Please note that these activities have maximum numbers of participants and once the maximum number is reached on that day, students may miss out for that session.

If you have any queries please feel free to contact the teacher responsible for the selected activity or myself at school on 5366 4800 or via email dellern@bmg.vic.edu.au.

BRAVE program - Years 3 to 6

Bacchus Marsh Grammar is pleased to again be offering the BRAVE program to help students in Years 3 to 6 who are struggling with worry, stress and anxiety which is impacting their ability to work as effectively as possible in the classroom. This program will commence at the beginning of Term 3.

BRAVE is an online, psychological program for the management of childhood and adolescent anxiety. It is based on cognitive-behavioural therapy (CBT) designed for children and teenagers. It includes 10 sessions in which young people learn the skills to better manage fearful or worrying situations.

Each session is presented in an interesting and interactive way. The information and skills are learned through animations, quizzes, puzzles and interactive games that are designed to keep children and young people interested and engaged each session.

Young people learn how to identify anxiety and stress, to develop relaxation skills, how to replace negative thinking with more positive, useful thinking and problem solving skills. Students develop their own fear ladder to assist them to gradually face their fears once they have developed their coping skills.

The BRAVE program was developed by a team of researchers at the University of Queensland and is based on research evidence. There are separate sessions for younger children and for teenagers to ensure the content is age-appropriate. The creators of the program have also made sure that the material is also suitable for young people from a wide range of cultural backgrounds.

The 10 sessions are usually completed over a period of 10 weeks. Each session allows time for the online activities as well as group discussion. A further two sessions are offered 1 month and 3 months after completing the program as a refresher. Parents have an important role to play in helping young people to manage their fears and worries. There are five or six, 60-minute online sessions for parents, followed by two online refresher sessions.

We are offering the opportunity for students in Years 3 to 6 at BMG who have some difficulty managing their anxiety to work through the BRAVE program as part of a small group with a facilitator from the Wellbeing team. Young people and their parents are also able to register to work through the BRAVE program independently of the school. More information can be found at the [BRAVE website](#).

If you feel your child would benefit from some help in managing their anxiety and you would like to discuss their possible participation in the BRAVE Program at school in Term 3, **please contact your child's Year Level Coordinator before Friday 17 May.**

School Information

School Bus Information 2019

Student Collection - A reminder to all Prep Reception to Year 4 parents/guardians that you are to be waiting at the bus door for your child/ren to disembark the bus. With the colder weather coming on, parents cannot wait in the car and expect students to be allowed off the bus. If a parent/guardian is not at the bus door the student will not have permission to disembark and will remain on the bus while the driver continues their route. If you require someone else to collect your child, your child MUST have a green permission tag on their bag, stating the person you have given permission to collect your child. Permission forms can be downloaded from the Parent Portal under – Junior School Bus Procedure. Students in Year 5 and 6, may disembark the bus without a parent/guardian, so long as a permission form has been completed and Green permission tag is attached to your child's bags. Permission forms can be emailed to bus@bmg.vic.edu.au.

Exford/Eynesbury Public Bus - As per the Principal's letter sent on 26 March 2019, the Exford/Eynesbury bus is now a public bus, operated by MYKI system. Students must tap on/off the bus with their MYKI card, student's MYKI cards should always have credit available on their card for travel. No credit on the MYKI card may result in students not being eligible to travel. Attached at the end of the newsletter is an updated timetable of the bus route.

Roll Call Information Sheet - As we have started Term 2, there are still quite a few families who have not returned their Roll Call information sheet for Maddingley Campus. This information is vital so drivers know which stop children are to board and disembark, if you have not returned your information sheet, please return by Friday 3 May. If your child's Roll Call information sheet is not returned your child will be allocated to board and disembark at STOP 1 of your allocated route. Forms can be downloaded from the Parent Portal and returned via email to bus@bmg.vic.edu.au.

Student ID Cards – Students are to carry their student ID cards on them at school at all times. Private bus travellers are required to use their card to scan on and off the bus. If students do not have their cards to scan on and off the bus, they are risking their seat on the bus.
