

BMG Mustangs 3rd in ICCES Winter Tour

On the final two days of Term 2 BMG had twelve sporting teams represent the school at the ICCES Winter Tour held in Shepparton. The teams who represented the BMG Mustangs from Year 7-12 performed brilliantly. The two day competition took place in sunny conditions and all students represented the school wonderfully. The first day of competition saw all BMG teams place themselves in extremely competitive positions in readiness for the second day of finals.

Day two saw an energized Mustang Team fight hard for the medals and best performances with the team securing a solid 3rd overall on aggregate, six Grand Final appearances and a Gold medal in Senior Boys Soccer, five Silver medals and two Bronze medals.

Thank you to all the 140 athletes and support staff who attended the carnival. A huge thankyou to the staff who have been coaching and administering teams since day one Term 1. This is a huge commitment by all involved. Congratulations to all. (Additional team photos are included in the Senior Sports section on page 4)

Maddingley Junior School News

I would like to welcome back all our families to another busy and exciting term and it is great to see how quickly the students have returned to their routines at school. This week, individual year level newsletters were distributed via your child's diary. I encourage parents to read the newsletter so they are fully informed about curriculum updates, important initiatives and dates/events that may impact their child this term.

In week 3 of this term, Parent/Teacher interviews are scheduled for Wednesday 31 July and Thursday 1 August. These interviews are a great opportunity to gain further knowledge about your child's learning and ask questions about the student report that was distributed at the end of Term 2. Interviews will be of 10 minutes duration. If you or the class teacher believes a longer time session is required, this extended time needs to be booked directly with the class teacher and will be held outside of the advertised Parent /Teacher times. I will be available on both nights to meet with parents that have requested this in advance.

Mrs Nici Deller Assistant Principal - Head of Junior School

Maddingley Prep Western Water Incursion

On Wednesday 17 July, Alice from Western Water visited the Preps to talk about water. Students discussed the different ways we use water in everyday life and how we can be water wise. We listened to the story of Donna the Water Droplet, as she journeyed through the different stages of the water cycle. The students dressed up and engaged in a fun role-play to explore the different stages of the water cycle, from clouds (condensation) to precipitation (rain) to evaporation. The Preps thoroughly enjoyed the interactive incursion and are now experts on the water cycle!

Student Wellbeing

Parent Information session: 'From Anxiety to Resilience'

On Monday 15 July we were fortunate to be able to host Michael Grose and Dr Jodi Richardson as they presented 'Anxiety to Resilience'. The evening was well-attended and reflected the desire within our parent body to actively support good mental health and the overall wellbeing of our young people. Staff also engaged in a similar presentation during the day, building upon their understanding of anxiety and appropriate strategies to support our students, as we continue to strive for an environment where every child can thrive.

If you were unable to attend but are interested in learning more about the work of Jodi and Michael, further information on their current Anxious Kids seminar tour can be found on the parenting ideas [website](#).

Beyond Blue also has information on what causes anxiety, types of anxiety and management strategies. Further information can be found on the [Beyond Blue website](#). The [Youth Beyond Blue website](#) has information specifically designed for young people to help understand. Both of these sites also have direct links to seeking support around anxiety and other mental health concerns.

One of the main messages from Michael and Jodi in the parent session, was that it is normal for children and young people to sometimes experience the discomfort of anxiety. Even with this discomfort, they can engage in the activity that may be causing it with appropriate management strategies.

If you have concerns about your child's mental health, it is recommended that you consult your General Practitioner for advice.

BMG Equestrian Team

The VEIS Show Jumping Grand Final day dawned very grey but the rain held off for the day. However, due to the large amount of rain in the days prior the usual dry Werribee sand arenas resembled a pool more than an arena and the decision was made to move the competition arenas onto the grass rather than the sand arenas. While this may have put off other teams, the Bacchus Marsh Grammar team showed up ready to ride.

When we arrived my "Off The Track" thoroughbred Duex was very excited and edgy. Nervous about the slippery grass, most people took it easy. Luckily for me, I was riding early in my class so the ground was not chopped up too much. I had a nice neat first round but unfortunately dropped a rail. Duex then jumped a super clear round in the first round of the Two Round Championship Competition. Unfortunately due to the rails we dropped, we were put out of the placings.

I also rode Opi my Mum's young four year old thoroughbred. He had one rail fall in the Two Phase Competition. Opi performed well in his Two Round Championship Competition, we had a good first round only having one unlucky rail fall.

It was great to get out and participate, I was super happy with my horses as they are both still very 'green' and learning. It was also great to see some of the teams younger riders get out and be competitive. Chloe Oughtred was riding some big jumps in the Intermediate section. Chloe Hodgson and Sarah Robins both had some great quick, clear rounds in the Encouragers section. A highlight was Sarah finishing 3rd overall for the series! An amazing achievement! The Bacchus Marsh Grammar Team finished 16th for the series with some great riders participating. We are all really looking forward to getting out and competing in the new series year and improving our final placing next year!

Host Families Required

The school is in need of host families for our sister school visitors from Kumamoto who will be arriving next term. The students arrive on 30 July and will leave the BMG community on 8 August. Students will be based at the Maddingley Campus. This is a great opportunity for families and students to get involved with our overseas programs. Host students are not required to study Japanese.

The Japanese students will come to BMG each school each day with Host BMG students and will spend one weekend with you during their homestay.

Host Family Forms are available from the [school website](#). Please complete and return the form by email or mail to school@bmg.vi.edu.au if you can assist.

For more information, please contact Mr Michael Love.

School Bus Information

Drop off/Pick up of students at the Maddingley Campus

Parents are reminded not to utilise South Maddingley Road to drop off and pick up students in the morning and afternoon peak periods. The western side of South Maddingley Road is a NO PARKING zone between the hours 8am – 9.30am and 2.30pm – 4pm. It is dangerous for students and/or parents to cross the road with buses travelling to and from the bus turnaround. At present there is an added hazard with the site entry to the current construction area. Construction vehicles are entering and exiting the site throughout the day. Parents are reminded to park in the Main Car Park to Drop off and Pick up students.

BMG Student ID Cards

Students are required to carry their **BMG student ID cards** with them at school at all times. Private bus travellers are required to use their card to scan on and off the bus each morning and afternoon. If students travel without their BMG Student ID card drivers have to manually enter student/s details, which is time consuming.

School Bus Information Continued....

If your child/ren has misplaced, lost, damaged or the card is not working:

- Students in Years 5 to 12 are to go to ICT Department and request a replacement card.
- Students in Prep Reception to Year 4 are to have a note placed in their diary making a request via the teacher to arrange the replacement.
- Alternatively please contact the Bus Co-Ordinator via email at bus@bmg.vic.edu.au

Please note if students do not carry their BMG Student ID cards with them for bus travel, this may result in detention.

Parking In and Around Bus Zones

Please ensure when you drop off and collect students from bus stops that you do not park in the bus parking zone to ensure the bus has enough space to safely drive in and out of the bus parking zone. Parents and guardians are also reminded not to park across residential driveways and respect residential property.

Student Collection from Bus Stops

It is important that parents/guardians of students from Prep Reception to Year 4 are to be waiting at the bus stop in line of sight with the driver for their child/ren to disembark the bus (please do not wait in your car). If a parent/guardian is not at the bus stop in view for the driver, student/s will not have permission to disembark and will remain on the bus while the driver continues their route.

Students in Prep Reception to Year 4 must be collected by their parent/guardian, if you require someone else to collect your child, your child MUST have a green permission tag on their bag, stating the person you have given permission to collect your child. Permission forms can be downloaded from the [myBMG Parent Portal](#) under – **Junior School Bus Procedure**. Students in Year 5 and 6, may disembark the bus without a parent/guardian, providing a permission form has been completed and Green permission tag is attached to your child bags. Permission forms can be emailed to bus@bmg.vic.edu.au.

Mrs Leanne Robertson - School Bus Service Administrator

School Information

Lost Property

Please check that all items of student's clothing are clearly named: in doing so, items mislaid and taken to lost property will quickly be returned via class/tutor group teachers to their owners.

Un-named property will not readily be released to students who claim ownership. Please clearly name your child's uniform to protect your investment in its purchase.

Parents and guardians are asked to regularly check their child/ren's uniform to ensure they have not mistakenly taken home another student's property. Any items that may have been mistakenly taken home should be brought to the Main Administration Office for distribution back to the correct family.

2019 School Photos

School photos are now available for parents to view and purchase from the [Arthur Reed Photos website](#) . Families who have already registered for photos should have received their first ordering notification directly from Arthur Reed Photos. The initial ordering window for BMG will close on **Sunday 4 August** to avoid a \$9.95 shipping fee.

Families will be able to order after the initial ordering window expires, however orders after the 4 August will incur a \$9.95 shipping fee and the orders will be sent home.

For instructions on how to place an order login to the Arthur Reed Photos website and review their [ordering tutorial](#)

If you have not yet registered visit the [Arthur Reed Photos website](#) and use the individual student code which was distributed to families prior to photo day to complete your order.

For any families who have misplaced their student code/s, you can contact **Arthur Reed Photos directly on (03) 5243 4390** and the customer service team will be able to assist.

Leadership photos will be available shortly. Families with students involved in the Leadership photos will be notified when they are ready and will be able to order and view these with your individual student/s code also. We would like to thank the school community for your patience and feedback to date.
