

## Jump Rope for Heart - Years 5 to 12

Congratulations to all participants in last week's Jump Off mornings at Maddingley. The mornings were incredibly successful with strong engagement from all students and staff. The fundraising component of the event was also a wonderful success. These funds will contribute to the Jump Rope for Heart 2019 campaign: the Heart Foundation's major fundraiser.

Collectively the school raised **\$2,037.26**.

The following places have been allocated according to the fundraising online, the fundraising of each House on the Jump Off morning, as well as the completion of the Jump Off morning tasks.

Congratulations to all participants, students and parents for their donations and all staff for their organisation of this great event.

Mrs Sarah Hunter

## Royal Melbourne Show Cookery Competition

This term has seen a dedicated number of budding cake decorators from Years 7 to 11 work on their creations for this year's Royal Melbourne Show Cookery competition.

Every year we are in awe of the wonderful designs and skills that our students display in their finished works. The entries have now all be delivered to the showgrounds for judging this week and ready for display over the duration of the Show. If you are visiting the Show we encourage you to visit the Arts and Crafts Pavilion to view our student's wonderful work and also entries from the Junior and Middle School Art Department and Textiles.

Thank you to Mrs Frislie for all her hard work in organising the entries and overseeing the progress of the student's work. Good luck to those who entered and we will publish a list of our successful entries in next term's newsletter.

**Mrs Jacqueline Huxtable - Learning Area Coordinator: Food Technology**

## Staughton Vale News

The Year 6 students have enjoyed the start of spring at Staughton Vale with a number of warmer sunny days over the last few weeks. This has seen the students continue to collect data for their Bird Count Projects, with lots of busy activity from our feathered friends. By participating in this project, students have shared their experiences, increased their knowledge, participated in citizen science and learnt about habitat, food resources and our environment. The end results have found that cockatoos and galahs are a common sight in and around the farm.

The vegetable patch has had a nice makeover, with artistic designs and bright colours adorning many of the raised garden beds. Seedlings are sprouting in the greenhouse and will be transferred to the vegetable garden next term. One of the highlights has been exploring a variety of Indigenous games, each involving different strategy, teamwork, skill and accuracy.

The Year 8s are in the midst of their Group Project Presentations, which has seen a wonderful variety of topics including; renewable energy ideas, practical re-use of plastic products, a rain harvesting toilet system, creative composting, a solar oven and ways improving water quality. The process of selecting and narrowing down a topic area, managing different roles within the group, gathering primary data and researching their topic area, has been somewhat of a challenge for the Year 8s. We hope that the experience has assisted in developing skills and knowledge that will be required in their senior schooling.

**Bryce Durham - Staughton Vale Coordinator**

### Woodlea Sport Report

On Thursday 5 September select students from Year 5 and 6 travelled to Boardman Stadium in Sunbury to compete in the MPSSA Basketball competition. BMG Woodlea played against Arnolds Creek Primary, Exford Primary and St Dominic's Primary. Both the boys and girls teams matched up extremely well to the other schools, which ensured very high quality basketball on the day. The boys team managed to come away with one win and two loses, one loss by a point and 8 point loss to champions Exford Primary. The girls competed extremely well as a team but faced some strong competition from the other schools and were unable to come away with a win.

Well done to all students who participated for representing BMG and competing with good sportsmanship throughout the day.

On Thursday 12 September, students who progressed from Term 3 District Athletics went to the next stage of competition, Division Athletics which was held at Werribee Athletics Track. The weather was accommodating for most of the day which allowed for most events to be completed. Unfortunately, there was a significant down pour later in the day which resulted in some events being called off.

All students competed extremely well against high quality opposition. Congratulations to Benjamin Bowler, Ethan Stegehuis, Ella Ward, Adelaide Moerenhout and Hunnardeep Sandu who have progressed to the next round and will be competing at Regional Athletics in November.

Thank you to Mrs Allen and Miss Staunton for attending both of these events as well as coaching and umpiring at the event.

**Mr Liam Gill – Head of PE, Interschool Sports P-6 – Woodlea**

### Equestrian News – A report from Sarah Robins (Year 9)

On Saturday 14 September, I competed in the Assumption College Interschool Showjumping at Lancefield. I took both my horses Banjo and Infinity Park Star (Storm). On Banjo I came 3<sup>rd</sup> in the Two Phase round and then 2<sup>nd</sup> in the Grand Prix round, which meant overall we got Reserve Champion, winning a sash and gift bag from the sponsors NRG. On Storm I came 2<sup>nd</sup> in the Two Phase round and 1<sup>st</sup> in the Grand Prix, so overall we finished Champion in that division and won a sash and embroidered rug. It was a great day out and we all had heaps of fun.

## Careers News

Students in Years 9-12 have been working on a variety of activities this term including subject selection discovery sessions, as well as participating in a range of lunch time career workshops. Year 10 students have successfully concluded their 'Inquiring Minds Task' co-facilitated by Deakin University and Gordon Institute of TAFE. BMG wishes to extend their gratitude to external judges from Community Bank Bacchus Marsh: Claire Sutherland, Ian Prince and Simon Hooper for attending the Gordon Student Presentations and providing valuable feedback to our student projects. Year 11 Students

have also participated in the entrepreneurial program, 'Upstart Challenge – Ballarat'. Successful to the next round of this program are two groups: Josh Wallace and Olivia Wright as well as Harrison Danton-Jack, Ethan McMinimee and Alexander O'Mahoney. We wish them luck in Term 4 when they compete against other schools in the region with their entrepreneurial idea based on evoking 'change'.

The Term 3 Careers Newsletter has been emailed to Senior Students in Years 9 to 12 and parents/guardians can access this document via the [school website](#). This edition includes particularly useful information for VCE students and highlights the many 'Springtime Revision' sessions offered by a range of providers over the break period (some sessions are free).

Year 9 and 10 students have been invited to participate in the Deakin Inspired Minds program over weeks 2 and 3 of Term 4. This program introduces students to the tertiary setting whilst providing an academic challenge for students to engage in a task that is shaped by a lecture offered Deakin University. Interested students need to see Mrs Clark for further details.

It is also pleasing to note that a number of students in Year 12 have received conditional university offers from Institutions such as Australian Catholic University, La Trobe University, and Victoria University.

Lastly, final Year Students are further encouraged to ensure that they have made applications to a variety of entities. This may include submitting a timely VTAC Application before 30 September, making direct entry applications to TAFE providers and applications for employment and GAP year opportunities. Residential applications to live on tertiary campus, and scholarship applications may also be a consideration for some. These actions are recommended to help expand their post-year 12 and school options.
