

## Junior School

As we head towards the end of a busy and exciting term, we would like to take a moment to share a few important updates.

As stated in the Junior School Handbook, a reminder to all parents and students that lollipops are not permitted at school. To promote a safe and healthy environment for all, we ask for your support in ensuring that these stay at home

At both Woodlea and Maddingley campuses, we are eagerly anticipating the upcoming Year 4 leadership applications for 2025! This is a wonderful opportunity for our Year 3 students to showcase their skills and qualities as future leaders of the school. More information will be shared with the students soon, so we encourage them to start thinking about how they can contribute to our school community in a positive way.

Finally, we are excited to wrap up what has been a busy and productive term of learning. We look forward to the range of camps and experiences planned for Term 4.

**Mrs Lisa Foster – Head of Junior School Maddingley and Mrs Sally Savic – Head of Junior School Woodlea**

## Maddingley

### Spotlight on Year 2

Term 3 has been brimming with memorable experiences and enriching activities for our students. In English this term, the students explored the text 'Wandi', an alpine dingo that went on a journey.

Last week, the students were thrilled to welcome Pumbah, a dingo from the Dingo Sanctuary, who captivated all the students and provided a unique opportunity to learn about wildlife up-close. The students learned that a dingo is quite flexible, can rotate their heads 180 degrees in any direction and have supersonic hearing so they can hear the heartbeat of humans.

Literacy Week was a highlight, featuring a variety of engaging activities that fostered a love of reading, culminating in a vibrant dress-up day which encouraged students to bring their favourite literary characters to life. The students were very creative in their dress-up designs that related to a text of their choice.

The students had the opportunity to enjoy a heart-warming Father's Day afternoon, where students celebrated their dads with special crafts, games and shared moments of joy. The dads were exposed to the focus text 'Wandi' where the students read a fluency passage and the variety of sentence structures the students have been reading.

Each event contributed to a dynamic and enjoyable term, filled with learning, creativity and community spirit.

## Woodlea

### Prep

Our Woodlea Prep students recently enjoyed a visit to the Staughton Vale campus where they engaged in a variety of hands-on activities. A special highlight was planting our “cohort tree” which will grow alongside us as we continue our journey through school. Each time we return, we’ll get to see how it has grown - just like we have!

The students became creative with watercolour paints, exploring how adding different amounts of water changes the effect. Some even experimented by using natural items like lemons, twigs and grasses as paintbrushes.

The day also included a fun quiz style activity in which students worked in teams to answer questions related to our recent lessons. It was a great way to put their knowledge to the test!

We also made yarning sticks with colourful wool. Yarning (storytelling) is an important part of Aboriginal culture, and these sticks are used to signify the speaker in a group, thereby teaching the importance of listening and taking turns. The day was a great mix of creativity, teamwork and new experiences.

Mr Warwick Grinter – Head of Year: Prep (Woodlea)

### Physical Education Spotlight

Term 3 has been an exciting time for our students who have been immersing themselves in a range of athletic and sporting activities.

Our Prep and Year 1 students have been making great strides in athletics, focusing on key events such as shot put, high jump and long jump. They have been learning the fundamentals of shot put, enhancing both their technique and strength. In high jump, students are refining their technique and gaining confidence with each practice. The long jump has offered them the chance to combine speed and skill, resulting in impressive improvements to their distances. Their enthusiasm and progress in these events have been fantastic to witness.

In addition, students in Years 2, 3 and 4 have been engaged in the Hot Shots Tennis program. This initiative has introduced them to the basics of tennis including serving, rallying and scoring, while making the learning process enjoyable. It has been wonderful to see their growing skills and enthusiasm for the game.

Students in Year 4 have also participated in a Bike Education session in which they have been learning about the rules of safe bicycle riding cycling. This program has been an instrumental first step towards enhancing their confidence and their understanding of safety before riding a bike.

We appreciate your continued support of these activities which significantly contribute to your children’s development and enjoyment.

#### Special Guest Event: Vietnam Veterans Interview

Oral history and storytelling are central to the human experience and our understanding of events, offering us a way to connect with the past on a personal level. We were honoured to welcome Vietnam Veterans to our Modern History class for an interview session that brought history to life through conversation. This experience allowed our young historians to engage with those who experienced the Vietnam War firsthand, deepening their understanding of the conflict and its impact on individuals and society. We extend our heartfelt thanks to our friends from the Vietnam Veterans Association for generously sharing their time, stories, and insights.

Ms Agata Kula – Head of Humanities: Maddingley

#### Japanese Language Assistant

Bacchus Marsh Grammar welcomed Seika Hirata, a Japanese language assistant, on Monday 5 August. Seika stayed at Bacchus Marsh Grammar for four weeks, assisting our Japanese language classes during her time with us. She developed strong connections with our students, particularly our Year 12 students, as they prepared for their end-of-year oral assessment. Seika also contributed culturally by assisting Year 5 classes with traditional Japanese craft activities.

The Japanese language teachers at the Maddingley campus would like to thank Seika for her short, but very valuable contributions. We would also like to thank Ms Caitlyn Stephen for providing a loving home for Seika during her stay.

Mr Shingo Gibson-Suzuki - Japanese teacher

### Sport Results - All Schools Badminton State Championships (2024)

Last Thursday and Friday, the BMG Boys and Girls Teams represented both the ICCES Association and Bacchus Marsh Grammar School at the All-School State Badminton Championships.

The competition was fierce on both days with competing schools having competitors and coaches from National Squads and State Teams.

All three Bacchus Marsh Grammar Teams played brilliantly all day, with the Boys Teams finishing in 7th and 9th place out of 18 teams, and our Girls team finishing 5th out of 24 teams.

A big congratulations to the three teams - the results were a reward for the many lunchtimes spent practising at Badminton Club.

Many thanks to Head Coach, Mr Perks, for his work with the students, and Mrs Homburg who assisted on Friday.

Mr Matt Harris – Administration PE & Health

## Snow Australia National Snowsports Championships

Moving on to the Snow Australia Australian Snowsports Championships at Perisher, New South Wales, Summer and Kaylee Wray represented Victoria and Bacchus Marsh Grammar with pride and success.

On Saturday, the girls competed in the Alpine Giant Slalom. Summer finished in 5th place and Kaylee finished 13th.

On Sunday, the girls competed in the Ski Cross. Summer won this event and Kaylee finished 13th. This result gave Bacchus Marsh Grammar 2nd place in the teams' event.

The Wray sisters, including Tayla who missed this year's competition again through injury, are very talented and train super hard to get to the level they are at. They are to be congratulated on their efforts at the Interscholar Snowsports this year. We especially congratulate Summer, who will complete her Year 12 studies this year, so this was the last time she will represent our school in this prestigious event. Well done girls!

## Australian Olympic Change-Maker program

Two Year 10 students from Bacchus Marsh Grammar will be given the opportunity to be recognised in an Australian Olympic Change-Maker program.

The Australian Olympic Change-Maker program recognises secondary students from around the country who demonstrate the Olympic spirit – friendship, sportsmanship and striving for excellence - both on and off the playing field, through leadership and driving positive change in their school and local communities.

The Change-Maker program provides students with the opportunity to share their ideas, connect with other like-minded people, be immersed in a unique Olympic experience and hear first-hand from Olympians.

The Australian Olympic Change-Maker program celebrates young Australians who 'Power the Change'. This is an opportunity to have your students recognised for their fantastic work in creating positive social impact.

The two chosen BMG students will receive an invitation to the Change-Maker Forum and a Certificate of Recognition. They will also be encouraged to submit a one-minute video expressing their interest in attending our National Summit where up to 25 young leaders from across the country will come together at the Australian Institute of Sport for a three-day event.

If you are interested, please complete the form at <https://forms.office.com/r/bnUzr4Pt2T> by the deadline of Tuesday 17 September. All applications will be assessed by a panel of relevant staff members. No late applications will be accepted. Good luck.
